

## DATA-DRIVEN HOLISTIC ENERGY MANAGEMENT SOLUTIONS

### WHY APPI ENERGY?

APPI Energy provides our NAMI clients with a comprehensive way to reduce energy expenses and minimize budgetary risks. Through our electricity and natural gas procurement services, we negotiate with suppliers to ensure you are provided with ideal pricing and contract terms to fit your needs. Our holistic energy services provide financially and functionally vetted solutions to decrease energy costs, reduce demand, and improve resiliency and sustainability.

### EFFECTIVE PROCUREMENT PROCESS

Since 1996, we have provided data-driven procurement and efficiency services to clients across North America. Our proprietary database of daily supplier prices enables us to benchmark and identify how to best manage your energy profile. APPI Energy is available to analyze your energy usage, evaluate your energy bill, deliver a green-apples-to-green-apples comparison of supplier prices and contracts, and negotiate a supply solution tailored to help your organization set and meet your energy goals.
